

5th NPC Research Day & 6th AGM of the NPC Society

Overview

The NPC Society of Malaysia proudly presents the 5th NPC Research Day cum 6th AGM of the Society on 3 March 2016. The NPC Society continues to invest time and effort in these yearly meetings to update its members on recent and novel NPC research findings in Malaysia. Moreover, budding researchers and postgraduate students will be able to utilize the platform provided to them by the society to network and collaborate to further shed light on the intricacies of nasopharyngeal carcinoma.
